July 23-24th All Skills Camp _____

July 21-22nd Pitcher Camp _____(note color)

July 21-22nd Catcher Camp _____

July 21-22nd Hitter Camp _____

Please make note of the ability level for the pitching session by using the color guide in this brochure. All Catchers will work together according to age and all pitchers will work together according to ability level.

The All Skills clinic will have players working together based on age. We encourage teams to attend this clinic because it will cover all aspects of the game including throwing, infield, outfield, hitting, bunting, base running, and conditioning for softball!

Dear Parent/ Player,

I am so proud of the success we have had at our camps. We receive very positive feed back after every camp from parents and players who attend. I am a firm believer in creating a positive environment at our camps because young ladies need to be encouraged to take their game to the next level. Our staff always does an amazing job giving the players the attention they need to get better and learn new skills while attending our camps. If you are a regular camp attendee I would like to say thank you for supporting our program and believing in our teaching. If you have not attended one of our camps I challenge you to put us to the test and see what we have to offer. We believe you will become a better softball player and person after attending our camps!

We have decided to revamp our camp schedule this summer in an attempt to give you more opportunity to enjoy your summer. We believe 2 days of 6 hour training will give you everything you need to take your game to the next level. We encourage parents and coaches to attend our camps so you can help your player improve her game after camp has ended. Contact me anytime if you have questions. We are here to serve you!

<>< Coach Mangrum

Phil. 4:13 I believe!!!

Pitching Info:

It is important that you note the following color on the registration sheet beside the pitching session you are attending:

Pink—1 year or less of experience (beginner)

Gray—1-3 years of experience with no private instruction (low intermediate)

Gold—3-5 years of experience with private instruction (high intermediate)

Blue—5 years or more of experience with private instruction (advanced)
