ALL-TIME BUCCANEER ROSTER, ACADEMICS, ALUMNI & SPEC

ACADEMICS & ALUMNI

Most popular majors of the Soccer Program

- Biology
- Criminology
- Business
- Education
- Communications
- Nursing
- Exercise Science
- Sports Management

Liza DeJesus (2000) - graduated as a University Honors Scholar in Nursing and is currently in Pharmacy School in Georgia, where she resides with her husband Armen Safarian, former Bucs tennis player.

Becka Eisenberg Wilson (2001) - graduated with an Exercise Science degree after finishing an internship with the world-renowned Cooper Institute, and finished at the University of Tennessee with a master's degree.

Amber Ledbetter (2001) - graduated from ETSU with an Exercise Science degree and a master's degree. She is currently with Velocity Sports of northern Virginia working with top-level athletes.

Kathryn Bond McNeill (2001) - graduated from ETSU with a B.A. in Sociology and after a semester in the AmeriCorps program, she returned to ETSU and has graduated with her master's degree in Communications with an emphasis in Public Health. She currently lives in Silver Spring, Md., with her husband and fellow ETSU Alumni Daniel McNeill and is working with the National Cancer Institute.

Carey Sheaffer (2001) - was the Bucs' first All-SoCon player and went on to graduate from ETSU in Criminology. She currently holds her realtor's license and is working as a title agent.

Lisa Gallagher (2002) - graduated with a degree in Microbiology and received the Faculty Award. She has returned to ETSU to work on a master in Environmental Health and do research.

Kristin Redfern (2002) - received her degree in Microbiology and completed her Master in Public Health at George Washington University in 2004. She has worked for the National Institutes of Health and is currently an Environmental Health Specialist in the D.C. area.

Lena Summers (2002) - graduated with a degree in Education with certification before finishing her eligibility. Started her master's while finishing her soccer career. She is currently teaching in Colorado, where she is coaching boys and girls soccer, and was recently named athletic director.

Jana Thomas (2002) - received a career-ending injury, but stayed to finish her degree in sociology with a minor in Criminal Justice and went on to receive a master's degree from the University of Tennessee in sociology with a criminology concentration.

Andrea Brown (2005) - since graduation from ETSU in Broadcasting, has begun a broadcasting career with WXII Channel 12 NBC in Winston-Salem, N.C., working on the evening news.

Liz S. Howell (2005) - graduated with a nursing degree and is currently working at Jewish Hospital in Louisville, Ky., where she lives with her husband and former football player Adam Howell.

Heather Sanden (2005) - wrote her name deep into the record books at ETSU and graduated with a degree in Sports Exercise Science. She was the Sullivan South High School coach before beginning her work on her master's degree at Wingate University where she is the GA soccer coach.

Jennifer Fields (2005) - graduated with a degree in Sports Management and earned many honors at ETSU including the Faculty Award in Physical Education and Sports Science and the Outstanding Undergraduate Student Award in the Clemmer College of Education. She is currently pursuing a master's degree in Sports Management at ETSU.

Erin Ashton (2006) - rewrote the record books during her four years at ETSU becoming the career leader in goals, assists, and shots. She became the first ETSU athlete to receive an NCAA postgraduate scholarship and was named the Atlantic Sun Female Student Athlete of the Year for 2006. She received her degree and was honored with the Faculty Award in Biology and will be attending East Carolina Medical School this fall.

Number of perfect 4.0's	9
Number of current Honors Program Students on the team	8

SPORTS PERFORMANCE ENHANCEMENT CONSORTIUM

(SPEC)

The ETSU Sports Performance Enhancement Consortium is a cooperative between the Athletic Department and Kinesiology, Leisure and Sport Sciences Department. Spec is dedicated to the development of sport through symposia, sports camps, coaches education programs, monitoring programs, and research. With state-of-the-art testing equipment and software, a broad range of analysis can be performed. Movement analysis, force and power outputs, speed and agility, and body composition measures allow SPEC to provide customized analysis to any athlete or coach. SPEC strives to be the leading Exercise and Sports Science research entity in the United States.
